**Note: When you obtain your RMS Certification, you are required to take 3 courses every two (2) years to maintain your certification.
You may select from any of the courses marked as an elective.**

Note: All class dates are subject to change. With attorneys as instructors, we are at the mercy of their court schedules. All courses are available to audit (without DRE credit) after the initial completion of the same course. There will be a small fee for replacement materials. Auditing seats are limited.
