

## Announcing Broker Exchange Mixer Events! – New in 2012

The San Diego Association of REALTORS® is excited to announce that we will host Broker Exchange mixer events. SDAR understands the unique needs of brokers so we created a new venue for brokers in the San Diego area to gather and exchange best business practices, ideas, information, and learning.

Special guest speakers will be invited to present valuable information on a variety of topics such as new laws impacting the real estate industry, risk management issues, mortgage fraud, designating branch managers, delinquent taxes/license suspensions, residential real property disclosures, home foreclosure process notices, and more.

SDAR welcomes your feedback! Email discussion topics, speaker suggestions, and tips to enhance the value of Broker Exchange mixer events to [BrokerExchange@SDAR.com](mailto:BrokerExchange@SDAR.com).

You're invited – attendance is FREE!
